OF SANTA MONICA**

CREATE POSSIBILITIES FOR KIDS AS A SPONSOR OF OUR

FUTURE READY BRUNCH

Saturday, April 26, 2025 at the Fairmont Miramar

INVEST IN THE NEXT GENERATION

Kids are the future—and it takes all of us to inspire them to become the leaders our community needs. Boys & Girls Clubs of Santa Monica serves 2,200 kids every year through after school and summer programs that empower them to grow as leaders, encourage them to make healthy choices, and inspire them to succeed in any career.

Your support as a Future Ready Brunch sponsor creates access to play equity through sports scholarships, funds workforce readiness field trips to local businesses, and provides gold standard social-emotional learning curriculum that prepares kids for whatever the future holds.

Join us at the Future Ready Brunch on April 26 to meet the leaders of the next generation, celebrate their accomplishments, and create even more pathways forward for them.
